

Elegant Line Wall Mounting Rack

GÜNKO INDUSTRIAL

**Elegant Line
Low Cost And Professional
Rack Cabinet Solution**

Elegant Line

600x600mm

Elegant-Line series wall mounted cabinets contain professional solutions that combine high quality, aesthetic design and safety for your active, passive network and all 19 " electronic devices.

Stores, markets, parking garages, shopping malls, restaurants, hospitals, banks, business centers, smart buildings, etc. It provides the most appropriate protection and use for your electronic devices in many areas.

19 " device mounting rails are adjustable throughout the depth of the cabinet, they are a set in right / left cabinets with a depth of 450mm, and 2 sets in cabinets with a depth of 600mm.

Easy mounting is provided by the top-down, bottom-up numbering system showing the "U" dimensions on the device mounting rails.

Elegant-Line cabinets have U options in 4 different heights from 7U to 16U.

Elegant-Line cabinets are delivered as standard in Ral7035 Light Gray color as stock delivery. We have optional Ral9005 Black color application.

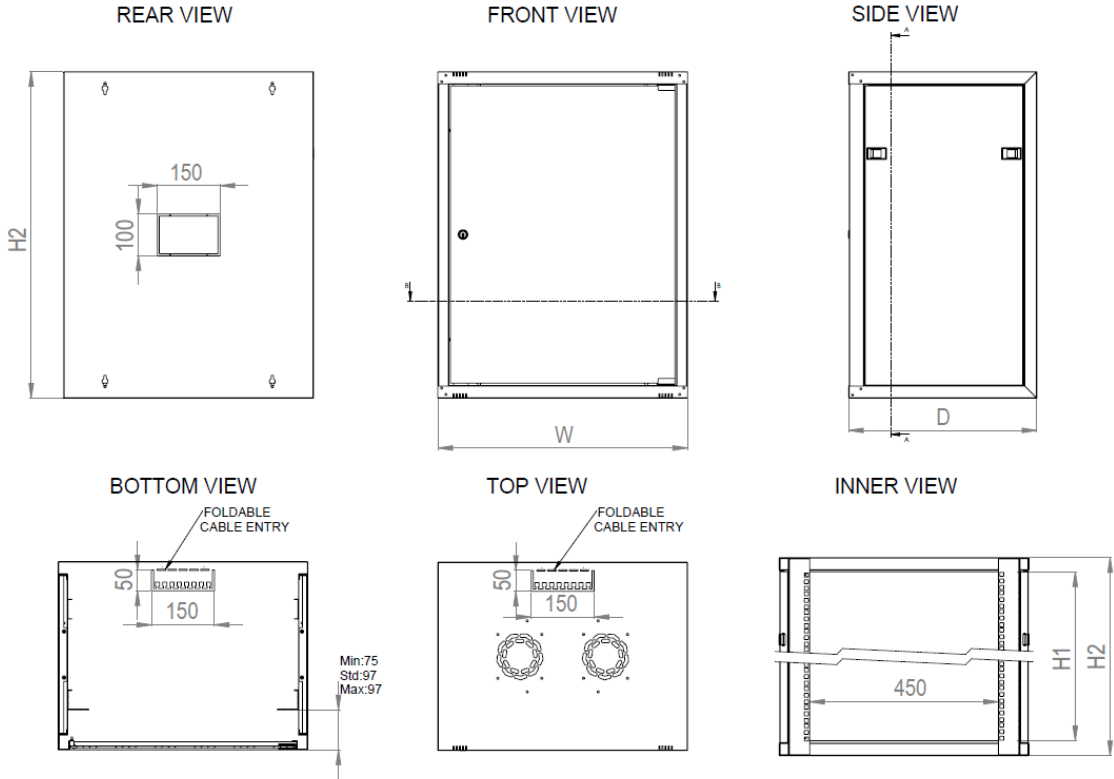

- Ergonomic design
- Easy to install
- Openable side panels
- 4mm tempered smoked color front glass cover
- 1mm Galvanized sheet (high corrosion resistance)
