

**Model No.
ST-ABT2-100**

Wired IR Two-Beam 100m Detector

Features:

- Receiver with 7 LED signal indicator
- Up to 100m distance (outdoor)
- 2 Beams
- Detection mode: 2 beams blocked simultaneous.
- Optical Source: Infrared digital pulse beam.
- Relay contact output: NO. NC contact rating: DC 30V 0.5 Amax

Technical Parameters

Power	DC 10.5 V ~ 24 V
Number of beams	2 Beams
Operating temperature	-25°C - 55°C
Dimensions	81*83*194mm
Response speed	50 ~ 700msec
Sensor	Double element pyroelectric infrared sensor
Alert distance	100m (Outdoor), 300m (Indoor)
Power consumption	65mAmax
